APPENDIX.

NAVAL RETIREMENTS.

REAR-ADMIRALS AND CAPTAINS.

The plan of Retirement, published in the *London Gazette* of 1st Sept., 1846, carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—

1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such Candidates from the 14s. 6d. Half-pay List as may be willing to accept it, with the rank of 11. 5s. per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7s. 6d. per day to be given to applicants, by Seniority, from the 12s. 6d. and 10s. 6d. Half-pay Lists, being Captains of not less than 20 years' sailing and 55 years of age. Officers from both Lists to be permitted to assume the rank of Retired Rear-Admiral at the period when they would have obtained the rank of Seniority had they remained upon the Active List, and (under Order in Council of 17 May, 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110l. per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 11. List to be filled up, in turn of Seniority, by Officers then accepting the 18s. per diem; but no new admissions to the 11. 5s. List to be made until it is reduced below the number of 25, which it is not to exceed hereafter. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 11s. per diem, and the remaining 75 11. per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

RETIREMENT UNDER THE ORDER IN COUNCIL OF 25TH JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question are carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals: the reduction will be effected as follows, viz.—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June,

2nd. These Officers will receive, as at present, the Half-pay of Rear Admirals, and will be allowed the same advantage of rising in rank as if they had remained on the Active List.

3rd. By awarding ten Retired Service Pensions, of 150l. each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned thereby to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the

Captains' List for ten years, to be eligible for retirement. The Retirement will so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting in three vacancies, except in special and individual cases, until the number is reduced to 350.

F.

While my Lords have recommended the abandonment of the system of promotion in future, they are nevertheless desirous of meeting the claims of officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selecting Commanders to the rank of Captains. These Officers will be placed on reserved half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled. (Further promotion to this List is abolished by Order in Council of 1st August 1860; but Commanders who have been promoted to the Reserved List of Officers under the Orders in Council of 25th June, 1851, and 30th January, 1856, will be entitled to increase of Pay, on the above scale, according to their length of service.)

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 1st AUGUST, 1860.

T. All Captains who have attained, or shall hereafter attain, the age of 60, and having served in their present Rank, to be placed on a Retired List, and to receive Retired Pay as follows:—

If on 10s. 6d. Half-pay List when retired	18s. per diem.
If on 12s. 6d.	20s. " "
If on 14s. 6d.	20s. " "

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in their Rank, to be placed on the List of Reserved Flag Officers, with the pay of Flag Officer per diem.

Captains now on the 14s. 6d. Half-pay List not to be affected by these arrangements unless by their own desire.

COMMANDERS.

The number of Commanders on the Active List will be reduced to a number permanently exceeding 450, and the reduction will be effected thus:—

1st. By selecting 50 Commanders to be Captains, as above specified.

I. 2nd. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retired List open until the number of Commanders on the Active List is reduced to 450.

II. 3rd. By placing on reserved half-pay all Commanders who have not served in the Packet or Revenue Service, within 20 years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of promotion by pay or rank, or of receiving the Greenwich Out-Pension.

4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains. (Further promotion to this List is abolished by Order in Council of 1st August, 1860.)

5th. By observing the rule of promotion of one in three vacancies, except in special and individual cases, as now in force, until the number on the Active List shall be reduced to 450.

FURTHER RETIREMENT OF COMMANDERS AND LIEUTENANTS EXTENDED BY ORDER IN COUNCIL OF 30th JAN., 1856.

G. This Order in Council provides—

1st. That the List of Captains on the Reserved List, established by Order in Council of 25th of June, 1851, be increased from 50 to 100, by selecting from the Active List of Commanders a number not exceeding 15 in the present and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

N.B.—Officers who may in future be promoted to the rank of Commander from service in the Coast Guard, or in command of Revenue Cruisers, will be promoted to the Reserved List, except only in individual cases in which, on the special recommendation of the Comptroller General of the Coast Guard, the Lords of the Admiralty may think it desirable to retain the services of the Officer so recommended, by promoting him to the Active List. Such annual Promotions to the Reserved List will be irrespective of any vacancies on that List; but on the death of an Officer promoted, his vacancy will not be filled up.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force;

REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification to that effect shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request of the person in whose favour it is obtained, be registered in the Court of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission shall authorise the assumption of any appellation, rank, precedence, or privilege appertaining to a Knight Bachelor in Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of the Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the Order, and common to every person to whom such Order is conferred.

10. The preceding Clause shall apply to Decorations of the Guelphic Order which were bestowed

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services ren-

dered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the creation of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining

which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

C. PAOR.

THE VICTORIA CROSS.

VICTORIA B.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower

grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals both in Our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some special engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an scroll, bearing this inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit or conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military force is under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distinct and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the Regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained that every person who receives the Cross, under rule seven, shall be rewarded before the Naval or Military force to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, signed by the cause of his special distinction.

Tenthly. It is ordained that every person who receives the Cross, under rule eight, shall be rewarded by a General Order, and his name shall likewise appear in a General Order above required, such General Order is to be signed by the Military Commander of the Forces, or the service.

Eleventhly. It is ordained that the General Order referred to shall from time to time be transmitted to the Secretary of State for War, to be laid before Us, and by him registered.

Twelfthly. It is ordained that no cases may fall within the rules above specified, or any claim, though well founded, may not be published on the spot. We will, on the joint advice of the Secretary of State for War and of Our Lord Chief of Our Army, or on that of Our Lord Chief or Lords Commissioners of the Admiralty in the Navy, confer the Decoration, but never exclusive proof of the performance of the act to which the claim is made.

Thirteenthly. It is ordained that, in the event of such act having been performed by a ship's company, a detached body of Seamen, not under fifty in number, or by a large troop, or company, in which the Admiral or other Officer commanding such forces, may be equally brave and distinguished, and selection can be made by them; then, an Admiral, General, or other Officer, or a Non-Commissioned Officer, engaged in the direct, that for any such body of Seamen, or for every troop or company of Soldiers, may be selected by the Officers engaged in the act, and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Non-Commissioned Officers engaged in the act, or Private Soldiers or Marines shall be selected by the Seamen, or Private Soldiers, or Marines, respectively, for the Decoration; and the selected shall be transmitted by the Command of the Naval force, brigade, or company, to the Admiral or General Officer, who shall in due manner certify that the acts were done under his own eye.

Fourteenthly. It is ordained that every Petty Officer, Seaman, or Marine, or Non-Commissioned Officer, or Soldier, who shall have received the Cross, shall, from the date of the act by which he has been gained, be entitled to a Special Pardon a year, and each additional Bar on rule four on such Warrant or Petty Officer, Non-Commissioned Officer or Man, shall receive an Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such act as shall effectually preserve pure this distinction, it is ordained, that if any person, to whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any other crime, he be accused of any such offence and be reasonably time surrender himself to the same, his name shall forthwith be erased from the list of individuals upon whom the said distinction has been conferred by an especial Warrant under the Great Seal, and the Pension conferred by the said Manual, and the Pension conferred by the said fourteen shall cease and determine from the date of the Warrant. It is hereby further declared that Heirs and Successors, shall be the sole persons who shall at all times have power to remove the Cross at any time have been expelled, and the grant of the Decoration and Pension.

Given at Our Court at Buckingham Palace, the ninth of January, in the seventh year, and in the year of our Lord and Saviour Jesus Christ, one thousand eight hundred and sixty-six.

NOTICE PLACED ON BOARD H.M.'S SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1821.

The Lords Commissioners of the Admiralty having under their consideration a question relative to the manner in which the Treasure deposited on board His Majesty's ships for custody only, have decided that for such a deposit should be paid as if such Treasure were a conveyance from one place to another, and that it should be divided (where it is deposited more than one of His Majesty's ships) in equal Shares, as Freight for conveyance would have been paid to the Treasurer of Greenwich Hospital, if it were a conveyance, after any such deposit, new bills of lading, for the conveyance, either on board another ship or Vessel, shall be made, the Freight established by the Order in Council is to be

charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, Ac. J. W. Croker.

BY THE KING.

A PROCLAMATION.

A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of April last, establish and declare a Scale of Rates at which Freight should be payable for public and private Treasure conveyed on board any of Our Ships and Vessels; We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed Six Hundred Leagues, shall be fixed at the Rate of One per Cent., both for Gold and Silver; and We do hereby establish and declare, That the Responsibility of the Officer in charge of such Treasure shall commence when it shall be safe alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of April last, and the Rules and Regulations thereby established, shall continue in full Force.

GOD SAVE THE KING.

Admiralty, 24th October, 1842.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on Public Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1831, granting an allowance for Treasure deposited on board Her Majesty's Ships for Custody only, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

(NAVAL RETIREMENT.)

At the Court at Osborne House, Isle of Wight,
the 1st day of August, 1860.

(Present, the Queen's Most Excellent Majesty in Council.)
Whereas there was this day read at the Board a Memorial
from the Right Honourable the Lords Commissioners of the
Admiralty, dated the 21st of July, 1860, in the words follow-
ing, viz:—

"Whereas having had under consideration the inadequacy
of the means at present at our disposal of employing Officers
who are fit and desirous to serve your Majesty, as well as our

inability to extend sufficient reward by promotion or otherwise to many Officers who have served long and faithfully; and being further of opinion that additional encouragement is required to induce Officers to serve with willingness and zeal while in health and vigour, we would humbly submit to your Majesty that we be empowered in future to award an honourable retirement to Officers who shall have attained an age which renders it unlikely that they will be long fit for further Active Service; and also, as an additional Reward for past Service and as an inducement to Officers on the Active List to seek future Service, we would further suggest that the Half Pay of Lieutenants should hereafter be proportionate to, and made dependent upon, their length of Service.

"Should your Majesty be graciously pleased to sanction these our propositions, we would humbly submit that we be authorized to carry the following alterations and suggestions into effect.

"First, as relates to Captains.

"We would humbly propose that all Captains who have attained, or shall hereafter attain, the age of sixty, without having served in their present rank, be placed on a Retired List, and receive Retired Pay as follows:—

"If on 10s. 6d. Half Pay List when retired	18s. per diem.
"If on 12s. 6d. "	"
"If on 14s. 6d. "	"

"Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

"Captains who may arrive at the head of the List without having served in that rank, to be placed on the list of Reserved Flag Officers, with the pay of 80s. per diem.

"In making these proposals, we would humbly submit that Captains now on the 14s. 6d. Half Pay List, should not be affected by them, unless by their own desire.

"Second, as relates to Commanders.

"It is humbly submitted that all Commanders on the Active List who have attained the age of sixty, or who may hereafter attain that age, be placed on a Retired List, with the rank and title of Retired Captain, and that they receive Half Pay, according to their length of Sea Service, on the scale hereinafter mentioned.

"All Commanders on the Active List, who have not been employed either afloat, in command of Revenue Vessels, in the Coast Guard, or as Mail or Transport Agents, within a period of fifteen years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea Service, also on the same scale as hereinafter mentioned; such Officers to be permitted to assume the rank and title of Retired Captain on reaching the age of sixty, but without further addition to their Retired Pay.

"Scale of Retired Pay.

"Total Sea Service in the rank of Commander and Lieutenant:—

	Pay per Diem.
Under 9 Years	{ Half Pay they may be receiving at the Time when retired.

"Officers after twenty years' service in these ranks, or who are physically incapable of service, to be eligible for the retirement, with the rank and title of Retired Captain, irrespective of age, at the discretion of the Board of Admiralty.

"Time served in command of Revenue Vessels to count as Sea Time.

"Time served in the Coast Guard on Shore, or in Transport Service on Shore, to count as Sea Time, in the scale of Retired Pay, in the proportion of three years in the Coast Guard or Transport Service as one of Sea Service.

"Time served as Mail or Transport Agents afloat or abroad to count for the above purpose as Sea Time, for the first three years, and after that in the proportion of three years' Sea Time as two of Sea Service.

"For every year's service as Acting Lieutenant, Mate, or passed Midshipman, after the completion of two years' service, or combined service in those ranks, an Officer to be allowed three pence per diem additional.

"Commanders who have been promoted to the Reserved List of Captains under the Orders in Council of 30th June, 1851, and 30th January, 1856, will be entitled to increase of pay, on the above scale, according to their length of service.

"Lieutenants.

"We would humbly submit, that Lieutenants on the Active List who have attained, or who may hereafter attain, the age

of sixty, be placed on a Retired List, with the rank and title of Retired Commander, and that they receive Retired Pay to their Sea Service on the heretofore mentioned scale.

"All Lieutenants on the Active List, who have not been employed either afloat or in the Coast Guard, in command of Revenue Vessels, or as Mail or Transport Agents, within a period of fifteen years, to be placed on a Retired List, and to receive pay also on the same scale as hereinafter mentioned.

"No further additions from the Active List to the present Retired and Reserved Lists of Lieutenants.

"Time served in Command of Revenue Vessels to count as Sea Time.

"Time served in the Coast Guard on Shore, or in Transport Service on Shore, to count as Sea Time, in the proportion of three years in the Coast Guard or Transport Service as one of Sea Service.

"Time served as Mail or Transport Agents afloat or abroad to count for the above purpose as Sea Time, for the first three years, and after that in the proportion of three years' Sea Time as two of Sea Service.

"For every year's service as Acting Lieutenant, passed Midshipman, after the completion of two years' service, or combined service in those ranks, an Officer to be allowed three pence per diem additional.

"Officers who may in future be recommended to the Board of Admiralty on account of Good Service, or as Revenue Cruisers, or as Mail Agents, who are considered desirable to promote to the rank of Lieutenant, to be promoted to the Retired List, and be placed on the above scale.

"Lieutenants who have been promoted to the rank of Commander under the Orders in Council of 30th June, 1851, and 30th January, 1856, will be entitled to increase of pay on the above scale, according to their length of service.

"Half Pay of Lieutenants on the Active List.

"We would humbly submit to your Majesty that the Half Pay of Lieutenants be in future fixed on the same scale of Service in that rank, on the following scale:—

"Under 3 Years' Sea Time	s. d.
" Above 3 " " "	6 6
" 6 " " "	9 6
" 9 " " "	12 6
" 12 " " "	15 6

"Time served in Command of Revenue Vessels, in the Coast Guard, and as Mail and Transport Agents, to count as Sea Time, in the same proportion as in the Retired List, shall regulate increase of Retired Pay in the Retired List.

"The present rates of Half Pay to be continued in the future, but no Officer now in receipt of Half Pay shall receive less than his present amount of Half Pay; and, however, may be allowed Half Pay at the discretion of the Board of Admiralty, if, through illness contracted in the Service, he has been unable to serve three years as sea in the Retired List.

"Greenwich Out-Pension.

"All Officers on the Active List who are recommended to the Board of Admiralty to be placed on the Retired List, which they may then hold, and then to assume a step in rank on reaching the age of sixty, shall not further increase of pay.

"Should your Majesty be graciously pleased to sanction these our suggestions, we would humbly submit that your Majesty will authorize us to carry into effect the necessary arrangements and changes to be made in the Retired List, and to do so as we may think fit and expedient.

"In conclusion, we beg leave to express our

in Lord Commissioners of your Majesty's Treasury sanctioned the additional expenses which will be incurred in carrying out this proposed scheme."

Having taken the said Memorial into consideration, and with the advice of Her Privy Council approve of what is therein proposed. And the Honorable the Lord Commissioners of the Admiralty give necessary directions herein accordingly.

NAVAL MEDALS.

Admiralty, 7th June, 1848.

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June, 1847; Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:-

1. The Rule, directed by Her Majesty to be observed in awarding this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the royal approbation of the Lords Commissioners of the Admiralty.

2. Had, from the commencement of the war in 1798, it been the practice of the Board of Admiralty to notice by a conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's desire, that persons of every rank, who were present in such actions, during the wars commencing in 1798, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are directed forthwith to state their claims for each action in which they may have been engaged, according to the form (A) hereto annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1800,
Guadeloupe in 1810,
Java in 1811,
St. Sebastian in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstances that medals have been granted by Her Majesty for services rendered by the

Navy, not only in the wars commencing in 1798, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.:

The attack upon Algiers in 1816,
The battle of Navarino in 1827, and
The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the

annexed form A. and addressed to the Secretary of Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to assemble, as a committee for the investigation and adjudication of all claims sent in according to the forms, viz.:

Admiral Sir T. B. Martin, G.C.B.
Admiral Sir W. Hall Gage, G.C.B.

NOTICE.

NAVAL TURKISH MEDALS.

*Department of the Accountant-General of the Navy
Admiralty, Somerset-House, March 1st, 1859.*

Majesty having been graciously pleased to approve of the award of a Medal which has been awarded by the Sultan to the Officers and Crews of Her Majesty's Ships employed in the Black Sea, between the 1st of September, 1854, the date of the landing of the Troops, and the 31st of September, 1855, the date of the fall of Sebastopol.

It is hereby given, that a portion of such Medals have been distributed in the first instance to Officers and Men on board Her Majesty's Ships Home Stations, and persons at present in the United Kingdom.

Further notice will be given when the remaining portion of Medals shall have been received.

Every applicant must state his rank or rating, and the ship or ships on board which he served; also in the case of every Petty Officer, Seaman, or Marine, it is indispensable that his application should be accompanied by a

certificate of service, except in the case of his being on board one of Her Majesty's Ships, and the application being made through his Commanding Officer, in which case the certificate will not be required.

When there are several claimants on board the same ship, it is desirable that they should make their applications in one letter through their Commanding Officer, by a list alphabetically arranged under the ships in which they were serving at the time, and affording the information as above required.

No other claims should be mixed up with the applications for the Medals in question, and in all cases where the parties have served in more than one ship in the Black Sea between the dates before stated, the name of each ship must be given.

Distribution will commence on the 4th day of March, 1859.

N.B. The grant of the Decoration will be extended to officers and men who belonged to any of Her Majesty's Ships in the Black Sea, and who were engaged in some Expedition or operation against the enemy subsequent to that date; but to entitle them to the Medal, it is necessary that the performance of the particular service should be certified by the Commanding Officers under whom they acted.

APPENDIX.

NAVAL RETIREMENTS.

REAR-ADMIRALS AND CAPTAINS.

The plan of Retirement, published in the London Gazette of 1st Sept., 1846, and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—
1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 14s. 6d. Half-pay List as may be willing to accept it, with the pay of 1*l*. 5s. per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7s. 6d. per day to be given to applicants, by Seniority, from the 12s. 6d. and 10s. 6d. Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the rank by Seniority had they remained upon the Active List, and (under Order in Council of 17 May, 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l*. per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.
3rd. The vacancies upon the 1*l*. List to be filled up, in turn of Seniority, by Officers then accepting the 18s. per diem; but no new admissions to the 1*l*. 5s. List be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 18s. per diem, and the remaining 75 1*l*. per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

RETIREMENT UNDER THE ORDER IN COUNCIL OF

25th JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question are to be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals: this reduction will be effected as follows, viz.—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1847. These Officers will receive, as at present, the Half-pay of Rear Admirals, and will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l*. each, to such Flag Officers who are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the

Captains' List for ten years, to be eligible for retirement. The Retirement will so kept up to 200 until the List of Captains shall be reduced to 350; the List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promotion in three vacancies, except in special and individual cases, until the number shall be reduced to 350.

- F. While my Lords have recommended the abandonment of the system of promotion in future, they are nevertheless desirous of meeting the claims of officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection Commanders to the rank of Captains. These Officers will be placed on reserve half-pay. Of these 50, 20 will be selected in the present year, and 10 in each subsequent year, until the number reaches 50, when the vacancies only will be filled. (Further promotion to this List is abolished by Order in Council of 1st August 1860; but Commanders who have been promoted to the Reserved List of Officers under the Orders in Council of 25th June, 1851, and 30th January, 1855, are entitled to increase of Pay, on the same scale as Commanders retired with the rank of Captain under that Order in Council (see below), according to their length of service.)

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 1st AUGUST, 1860.

- T. All Captains who have attained, or shall hereafter attain, the age of 60, having served in their present Rank, to be placed on a Retired List, and to receive Retired Pay as follows:—

If on 10s. 6d. Half-pay List when retired	18s. per diem
If on 12s. 6d.	20s. „
If on 14s. 6d.	20s. „

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served to the rank, to be placed on the List of Reserved Flag Officers, with the pay of 20s. per diem.

Captains now on the 14s. 6d. Half-pay List not to be affected by these arrangements unless by their own desire.

COMMANDERS.

The number of Commanders on the Active List will be reduced to a number permanently exceeding 450, and the reduction will be effected thus:—

- 1st. By selecting 50 Commanders to be Captains, as above specified.
- 2nd. By increasing to 100 the List of Commanders promoted to the rank of Captain.
- I. Retired Captain under the Order in Council of 1840, and keeping such Rank open until the number of Commanders on the Active List is reduced to 450.
- 3rd. By placing on reserved half-pay all Commanders who have not served to the rank of Captain, or in the Packet or Revenue Service, within 20 years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of reserve pay or rank, or of receiving the Greenwich Out-Pension.
- 4th. The system of promoting by brevet will be abandoned. 50 Officers, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains. (Further promotion to this List is abolished by Order in Council of 1st August, 1860.)
- 5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

140 REGULATIONS RESPECTING FOREIGN ORDERS, &c.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the Notification relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such Notification, and shall have obtained Her Majesty's permission for the person in favour it has been made to accept of a Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Sign Manual.

When such Warrant shall be signed by the Queen, a Notification shall be inserted in the Gazette, in relation to the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the discretion of Her Majesty, be granted at the expense of the person obtaining it, be registered in the Court of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that the person to whom the Order is granted shall have Her Majesty's licence and permission to assume the appellation, rank, precedence, or privilege appertaining to a Knight of Her Majesty's Realms.

9. When a British Subject has obtained the Royal permission to accept of a Foreign Order, he will at any future time be allowed to accept the Decoration of the same Class of the same Order, to which he may have become eligible by increase of Service in the Foreign Service, or in the Service of his own country; or any distinctive mark of honour strictly consequent upon the acceptance of the Order, and common to every person to whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed

REGULATIONS RESPECTING FOREIGN ORDERS, &c. 141

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united. Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services ren-

dered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

Application for permission to accept wear Medals which, not being the ration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining

which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

V. If the Candidate be found unqualified at the Examination, he will be allowed a second trial at the Quarterly Examination. Should he not pass the Examination, he will be finally rejected.

VI. If the Candidate succeeds in passing the Examination, he will be at once appointed to a Training Ship for the purpose of instruction in the subjects contained in Sheet No. 1, as well as in the Rigging of Ships, the use of Nautical Instruments, &c.

VII. Quarterly Examinations will be held on board the Training Ship, when any Cadet may be examined in the subjects contained in Sheet No. 1, and also in the instruction in the Rigging of Ships, Seamanship, &c.

IX. When a Cadet shall have completed his instruction, exclusive of vacations, in the Training Ship, he will be examined; and should he obtain a sufficient proficiency, he will be discharged into a Frigate.

C. PAGET.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the love

grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in Our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalled themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an scroll, bearing this inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast, by a blue riband for the Navy, and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military force is under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distinct and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour must prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such documents and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained that every person selected for the Cross, under rule seven, shall be publicly named before the Naval or Military force of which he is a member, and with which the act of bravery to be rewarded is to be recorded, shall have been performed, and the same shall be recorded in a General Order, signed by the cause of his especial distinction.

Tenthly. It is ordained that every person selected for the Cross, under rule seven, shall be publicly named before the Naval or Military force of which he is a member, and with which the act of bravery to be rewarded is to be recorded, shall have been performed, and the same shall be recorded in a General Order, signed by the cause of his especial distinction.

Eleventhly. It is ordained that the General Order referred to shall from time to time be transmitted to the Secretary of State for War, to be laid before Us, and to be by him registered.

Twelfthly. It is ordained that no cases may be falling within the rules above specified, or a claim, though well founded, may not be established on the spot. We will, on the joint recommendation of the Secretary of State for War and the Admiralty, or the Chief of Our Army or of Our Land Forces, or the Lord Commissioners of the Admiralty, or the Navy, confer the Decoration, but not without conclusive proof of the performance of the act to which the claim is made.

Thirteenthly. It is ordained that, in the event of a ship's company, a detached body of Seamen, not under fifty in number, or by a battery, troop, or company, in which the Admiral or other Officer commanding such force, or other Officers equally brave and distinguished, and the selection can be made by them; then, an Admiral, General, or other Officer commanding direct, that for any such body of Seamen, or for every troop or company of Soldiers, shall be selected by the Officers engaged in the action, and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Seamen, or Private Soldiers or Marines shall be selected by the Seamen, or Private Soldiers, or Marines, respectively, for the Deed of the act of a non-selected shall be transmitted to the Secretary of the Naval force, brigade, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration on the acts were done under his own eye.

Fourteenthly. It is ordained that every Warrant Petty Officer, Seaman, or Marine, or Soldier, or Officer, who shall have received the Cross, shall, from the date of the act by which the Cross has been gained, be entitled to a Special Pension of Five Pounds a-year, and each additional Bar conferred on such Warrant or Petty Officer, Non-Commissioned Officer, or Man, shall entitle him to an Additional Pension of Five Pounds a-year.

Fifteenthly. In order to make such act to be rewarded by the Cross, shall be recorded in a General Order, signed by the cause of his especial distinction, it is ordained, that if any person, such distinction shall be conferred, for treason, cowardice, felony, or of any offence, or for any such offence, and if he is reasonable time surrender himself to the law, his name shall not be recorded in the list of individuals upon whom the said Decoration has been conferred by an special Warrant under the Sign Manual, and the Pension conferred by such Warrant shall cease and determine from the date of the Warrant. It is hereby further declared, that the Heirs and Successors shall be entitled to the same circumstance demanding such explanation, and shall at all times have power to recover the same may at any time have been applied for, and the same of the Decorations and Pensions.

Given at Our Court at Buckingham Palace, the ninth of January, in the seventh year, and in the year of our Lord one thousand eight hundred and sixty-six.

By Her Majesty's Command.

1. Widows of Commission and Warrant Officers of the Royal Navy, and of Commission Officers of Royal Marines, may be allowed Pension, and their Children (Compassionate Allowances, at the rates specified in the table in the Appendix, and subject to the following regulations:

2. The Pensions authorized by these Regulations cannot be claimed as a right—they are granted as rewards for good and faithful service rendered by deceased Officers—they will only be conferred on persons deserving the Public Bounty—they will not be granted to Widows left in wealthy circumstances, and are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

5. If the claim of a Widow to Pension shall not be established before her death, the amount of Pension to which she would have been entitled to if living, shall not be allowed to her representatives.

6. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commission Officer, married after the age of Sixty Years,—or, being a Warrant Officer, after the age of Fifty Years.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon; provided he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in the Sea Service; but the Admiralty may grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, in such cases as they think proper.

vii. If she shall receive any other Pension, or Allowance from the Government, on account of her husband's services in a Naval or Military capacity.

viii. If she shall be left in wealthy circumstances.

7. The Widows of Commission Officers, who shall have married after the date of the death of their Husbands having been on the Pension List of complete years, except the Husband be killed or lose his life in the execution of the Service, or the Officer died from the effects of foreign service, shall be entitled to the Pensions of their respective Husbands, if he had been five years on the List—was a Protestant, and if he was married,—and it be clearly shown, that the death of the Officer was not occasioned by any misconduct, or by any circumstances which rendered the Officer himself bad conduct.

The Widows of Warrant Officers, Gunners, Boatswains, and Carpenters are only entitled to Pension as the Husbands having been warranted for a period of five years (including time included) and provided they shall be confirmed in the rank of Warrant Officer.

8. No Widow shall receive a Pension as a Widow, unless her Husband shall have been a Protestant, and unless his name was on the List at the time of his death, nor unless she shall have been married prior to, her Husband's Service in the Navy, and her Husband shall have served One Year on Full Pay subsequent to their marriage, and shall have served the time to entitle him to Half-Pay.

9. The Pensions of Widows who shall have married prior to the 31st of December, 1830, shall be paid to themselves, and their receipts shall, notwithstanding, be deemed a sufficient discharge for the payment of their Pensions.

10. In all cases of a Widow re-marrying, on or after the date of these Instructions, her Pension shall be calculated from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be re-assessed, and added to the Admiralty List of Widows in wealthy circumstances, and in others deserving the Public Bounty, but it will be again liable to be discontinued on re-marriage. Widows who are re-married after the date of these Instructions, and thereby rendered ineligible, will not have the same assessed to them as the date of their again becoming Widows.

11. Every Officer, whether on Full or Half Pay, shall, in order to facilitate the decision upon the claim of his Widow after his decease, to the benefit of these Regulations, declare his marriage within six months of his decease to the Admiralty, according to the Form in the Appendix.

With respect to marriages contracted in Scotland, some are admitted for the purposes of these Regulations, which the proved either by an extract of the Register of the session, or other legal record of the place in which the marriage shall have been celebrated,—or by an acknowledgment of a Marriage to be transmitted to the Admiralty, and subscribed by the parties themselves in Scotland, or by a Magistrate, according to the Form in the Form.

Mothers.—When an Officer is killed in action, and no Widow nor legitimate child, but leaves a Mother a Widow in distressed circumstances, and who was dependent upon him, the Mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Widow, or shall have any other provision of any kind he public, in that case no Allowance will be made to account of her Son, unless she gives up the other Pension, and the Pension given to a Mother on the death of her Son will be forfeited on re-marrying, and will be restored in the event of her again becoming a Widow.

Sisters of Officers.—Sisters of Officers are not eligible to any Allowance, unless under very special and extraordinary circumstances, to be judged of by the Lords of the Admiralty's Treasury. Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer be fallen in action, or shall die of wounds received in action, within six months after being wounded, and shall be no Widow, legitimate Child, nor Mother, nor unless she shall be an Orphan, having no surviving Brother. All claims to have been dependent for support upon the Officer. Every Pension so granted, will cease when the person to whom it shall marry, or be in any other manner sufficiently provided for.

Sisters of Officers.—Allowance on the Compensation to the legitimate Children of deceased Officers, may be made in those cases in which the Widow of the Officer would be entitled to be placed on the Pension List; provided it be not the Children have no other Allowance, Pension, or claim from the Government; and that their pecuniary circumstances, and those of their family, are so limited, that they really require assistance from the Compensation Fund. The claims of the children will be considered according to age, length, nature, and merit of the services performed by the Officer; and as far as the decision upon claims can be guided by Regulation, in the following order, viz.:

Children of Officers killed in Action, or drowned.

Admiralty, 4th June, 1821.

SIR,—My Lords Commissioners of the Admiralty having under their consideration a question relative to the Freight Money to be allowed for Particulars deposited on board His Majesty's ships for custody only, have decided that Freight for such a deposit should be paid as if such were a conveyance from one place to another in the same station, and shall be divided (where it is seen on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all Cases Great care is to be taken, wherever, after any such deposit, new bills of Lading, or orders for conveyance, either on board another ship or some ship, shall be made, the freight established by such conveyance by the Order in Council is to be

charged, over and above the freight which might be already due on the score of deposit.

I am, Ac. J. W. CROKER.

And with reference to the Circular Order of 4th June, 1821, granting an allowance for Treasure deposited on board Her Majesty's Ships for *Cargo only*, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only: By Command of their Lordships.

FORMS OF WILLS FOR PETTY OFFICERS, SEAMEN, AND MARINES.

Admiralty, 10th July, 1880.

Numerous instances having occurred in which Wills executed by Petty Officers, Seamen, and Marines on board Her Majesty's Ship have been invalid for want of attention to the requirements of Act of Parliament to be observed in their execution, the Lords Commissioners of the Admiralty, with a view to obviate this inconvenience, have caused printed Forms of Wills to be prepared for the use of Men serving in Her Majesty's Navy, with particular instructions thereon for completing them according to law; and I am commanded by the Lordships to signify their directions that the instructions in these Will Forms be strictly attended to.

(NAVAL RETIREMENT.)

At the Court at Osborne House, Isle of Wight,

the 1st day of August, 1860.
(Present, the Queen's Most Excellent Majesty in Council.)
WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 31st of July, 1860, in the words following, viz:—

"Whereas having had under consideration the inadequacy of the means at present at our disposal of employing Officers who are fit and desirous to serve your Majesty, as well as our

inability to extend sufficient reward by promotion or otherwise to many Officers who have served long and faithfully; and being further of opinion that additional encouragement is required to induce Officers to serve with willingness and zeal while in health and vigour, we would humbly submit to your Majesty that we be empowered in future to award an honourable retirement to Officers who shall have attained an age which renders it unlikely that they will be long fit for further Active Service; and also, as an additional Reward for past Service and as an inducement to Officers on the Active List to seek that Service, we would further suggest that the Half Pay of Lieutenants should therefore be proportionate to, and made dependent upon, their Length of Service.

"Should your Majesty be graciously pleased to sanction these our propositions, we would humbly submit that we be authorized to carry the following alterations and suggestions into effect.

"First, as relates to Captains.

"We would humbly propose that all Captains who have attained, or shall hereafter attain, the age of sixty, without having served in their present rank, be placed on a Retired List, and receive Retired Pay as follows:—

"Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

"In making these proposals, we would humbly submit that Captains now on the 14s. 6d. Half Pay List, should not be affected by them, unless by their own desire.

"Second, as relates to Commanders.

"It is humbly submitted that all Commanders on the Active List who have attained the age of sixty, or who may hereafter attain that age, be placed on a Retired List, with the rank and title of Retired Captain, and that they receive Half Pay, according to their length of Sea Service, on the scale hereinafter mentioned.

"All Commanders on the Active List, who have not been employed either afloat, in command of Revenue Vessels, in the Coast Guard, or as Mail or Transport Agents, within a period of fifteen years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea Service, also on the same scale as hereinafter mentioned; such Officers to be permitted to assume the rank and title of Retired Captain on reaching the age of sixty, but without further addition to their Retired Pay.

Admiralty, 26th August, 1862.

PASSING FOR LIEUTENANTS AND MASTERS.)

Shipmen and Acting Sub-Lieutenants are required to their several Examinations for the rank of Lieutenant, in accordance with the Regulations which were in force at the time they severally entered Her Majesty's Service.

Men who entered the Service previously to the 1st May, 1857, are to be allowed the option of passing after Five Years' service, under the provision of the late Circular No. 238, paragraph 20. Should they fail to pass under those provisions, they will be required again to undergo their several examinations for the Rank of Lieutenant at the expiration of Years' Service; and in no case will Seniority be allowed them from an earlier date than the completion of such Years' Service.

Men who entered the Service between the 1st May, 1857, and the 1st April, 1860, must pass in accordance with the late Circular No. 238.

By Regulations referred to will be re-inserted in the Admiralty Navy List.

Acting Assistants and Acting Second Masters will not be permitted to produce the number of observations mentioned in Circular No. 238, of the Instructions until May, 1863.

By Command of their Lordships,
C. PAER.

All Commanders-in-Chief, Captains,
Commanders, and Commanding Officers
Her Majesty's Ships and Vessels.

EXTRACT FROM LATE CIRCULAR, No. 238.

Admiralty, 29th February, 1857.

I. All Midshipmen, until they shall have passed their examinations for Lieutenant, are to keep a book in which the reckoning is to be worked out and noted, and when at sea this book is to be sent in every day to the ship, and is to be placed in a day's work, and is now usually presented. It is also to be produced at examinations; and during the last six months of their service as Midshipmen it must contain the working of the reckonings, as given in Sheet B.

II. A Midshipman when he shall have served eighteen months in that rank will be required to pass an intermediate examination. In addition to the subjects embodied in the Regulations he will be required to have—

1. A good knowledge of practical Navigation, showing that he understands the principle of Navigating a Ship from one distant port to another, by Dead Reckoning and by his own Observations; and that he can also take and work a double Altitude and Azimuth.

2. A sufficient knowledge of the Chart as will enable him to place thereon the position of the Ship by Observation as well as by Cross Bearings; and to lay off the True and Compass Courses.

3. Such knowledge of Nautical Surveying, as may enable him to measure a base line and determine positions by angles, and the manner of ascertaining heights and distances.

4. If he has served in a Steam-Vessel, an acquaintance with the different parts and working of the Steam Engine.

5. A proficiency in French.

6. He must be a fully practical observer.

7. He must produce Log Books kept by himself from the time of his entry into a Sea-going Ship, and Certificates of Good Conduct.

8. He will likewise be examined as to his progress in the knowledge of rigging of Masts, Boomsprit, &c., in setting tops over and blacking a lower cap, in setting up a boom, and especially as to the precautions required in laying lower masts; in hoisting a quarter or stern boat up in a strong breeze with a Sea on; in making up a course and topmast for bending at Sea; in shifting topmasts, yards, and sails at Sea, and the effect of the sails

on the Ship both in tacking and wearing; in the detail arrangements for mooring and unmooring Ships and getting under-way. He must likewise know the Great Gun and Small Arm Exercise, the use of Tangent Sights, the charges for the Guns of the Ship, and be able to Exercise the Men at his Quarters. A report of the progress he has made in each of the above subjects is to be made to the Secretary of the Admiralty in the Half-yearly Return.

XIII. The Examinations under Articles X and XII are to be conducted by the officer in command, not below the rank of Commander, and the next Senior Officer in the Ship, and the Examinations in Navigation, in the presence of a Captain or Commander, by two Naval Instructors when it may be practicable, or by a Naval Instructor and a Master, or where there is no Naval Instructor by two Masters, that in Gunnery by a Gunnery or other competent officer; and at these Examinations the Candidate is to be made to take and work out his own observations for Latitude, Longitude, Variation, &c., as the case may be. 1st or 2nd Class Certificates are to be given according to the merit of the Candidate, in the Form A, page 2, or he is to be rejected if found incompetent.

XIV. A Midshipman, when he shall have passed the Examination referred to in Article XII, must continue to serve in that rank for a further period of two years, and having completed such two years, he may, if he is not above the age of 19 years, present himself to pass his Examination for the rank of Lieutenant, in accordance with the Forms Nos. II., III., IV.

XV. The Examination for the rank of Lieutenant is to be conducted before three Captains or Commanders, by order of the Commander-in-Chief or Senior Officer of two or more ships present together; but a Midshipman, having completed his term of service, and being 19 years of age, who is serving in a ship or vessel so far separated from other ships that the foregoing Regulation cannot be complied with, may be provisionally examined by the Captain or Commander of such ship or vessel, with the aid of other competent Officers—Lieutenant, Master, or Second Master, and if they find him to be duly qualified, they are to give him a certificate to that effect, dated on the day of such examination, and the Captain may forthwith give him an acting order as Mate; but he must be re-examined on the first opportunity that shall afterwards offer by three Captains or Commanders, before he is required, and if he passes successfully, he will receive from the Commander-in-Chief, or Senior Officer, an acting order as Sub-Lieutenant to take rank according to the date of the first certificate.

As the above is the final Examination in Seamanship, the Examining Officers are to be most strict in their investigation of the qualifications of Officers, and they are to see that everything required by these Regulations has been complied with by the Candidate, and that he produces Certificates of good conduct from Captains he has served under for five years.

XVI. All Midshipmen and Acting Sub-Lieutenants will be required to undergo the following final Examinations—

1. In Gunnery—On board the Excellent.

2. In Navigation and the Steam Engine—At the Royal Naval College.

Acting Sub-Lieutenants who have already passed abroad are to present themselves for Examination on board the Excellent on the first Examination Day after their arrival in England, or after being paid off, and having passed in Gunnery, they are then at liberty to select either the 1st, 2nd, or 3rd Examination Day at the Royal Naval College.

XVII. Any Officer rejected on his first Examination at the College will incur the forfeiture of three months' seniority in his rank as Mate. He may present himself on the next Examination Day, but a second rejection will incur the forfeiture of three months' seniority; he may again present himself on the next Examination Day, but a third rejection will cause his name to be removed from the List of the Navy.

XVIII. Officers who have passed their final examination at the Royal Naval College, as provided for in these Regulations, will be confirmed from the date of their first Certificate.

The non-appearance of an Officer for Examination at the Royal Naval College at the times required by these Regulations will be considered as an acknowledgment of his not being qualified, and he will be dealt with in the same manner as if he had been actually rejected on each day on which he may have omitted to appear, unless under certified ill-health, to be duly reported at the time.

* By an Order dated 6th June, 1862, Officers are allowed to present themselves to pass in Gunnery on the second, instead of on the first examination-day, it being distinctly understood that such indulgence is not to interfere with the Regulations as to the time in which officers are required to pass the final examinations at the R. N. College.

3. Knowledge of fitting Rigging and Sails, Rigg'g Ships, and practical acquaintance with a Seaman's Duty in all its Branches.

4. The Practice of Working and Manoeuvring Ships under all circumstances, and laying out Anchors by Boats.

5. If served in a Steam Vessel, acquaintance with the component parts and practical working of Steam Engines and Boilers.

6. Practical Astronomy by day and night, the principles and practice of Navigation, and correcting the Compasses for local attraction.

7. Date of Provisional Examination, and by whom.

NOTE.—The Examining Officers to state whether this officer has any knowledge of the Signals, and the manner of performing the Evolutions of a Fleet; but it is not to be considered as part of the examination.

And after a careful consideration of this Officer's examination, we consider him entitled to a * class Certificate, and that he is † to take charge of and perform the responsible duties of Officer of a Watch on board any of H.M. Ships.

* 1st, 2nd, 3rd.

NOTICE.

NAVAL TURKISH MEDALS.

Department of the Accountant-General of the Navy
 Admiralty, Somerset-House, March 1st, 1839.

Her Majesty having been graciously pleased to approve of the grant of a Medal which has been awarded by the Sultan of the Ottoman Empire to the Officers and Crews of Her Majesty's Ships employed in the Black Sea, between the 17th September, 1834, the date of the landing of the Troops, and the 9th September, 1835, the date of the fall of Sebastopol:—

Notice is hereby given, that a portion of such Medals have arrived in this Country, and will be distributed in the first instance, to Officers and Men on board Her Majesty's Ships on the Home Station, and persons at present in the United Kingdom.

A further notice will be given when the remaining portion of the Medals shall have arrived.

Every applicant must state his rank or rating, and the name of the ship or ships on board which he served; also in the case of every Petty Officer, Seaman, or Marine, it is indispensable that his application should be accompanied by a

certificate of service, except in the case of him being on board one of Her Majesty's Ships, and the application being made through his Commanding Officer, in which case the certificate will not be required.

When there are several claimants on board the same ship, it is desirable that they should make their applications in one letter through their Commanding Officer, by a list alphabetically arranged under the ships in which they were serving at the time, and affording the information as above required.

No other claims should be mixed up with the applications for the Medals in question, and in all cases where the parties have served in more than one ship in the Black Sea between the dates before stated, the name of each ship must be given.

Distribution will commence on the 4th day of March, 1839.

N.B. The grant of the Decoration will be extended to officers and men who belonged to any of Her Majesty's Ships in the Black Sea, and who were engaged in some Expedition or operation against the enemy subsequent to that date; but to entitle them to the Medal, it is necessary that the performance of the particular service should be certified by the Commanding Officers under whom they acted.

APPENDIX.

NAVAL RETIREMENTS.

REAR-ADMIRALS AND CAPTAINS.

THE plan of Retirement, published in the London Gazette of 1st Sept., 1846, and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—

- 1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 14s. 6d. Half-pay List as may be willing to accept it, with the pay of 1l. 5s. per diem, and the corresponding pension to their widows, under the usual restrictions.
- 2nd. An addition of 7s. 6d. per day to be given to applicants, by Seniority, from the 12s. 6d. and 10s. 6d. Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May, 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110l. per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.
- 3rd. The vacancies upon the 1l. List to be filled up, in turn of Seniority, by Officers then accepting the 18s. per diem; but no new admissions to the 1l. 5s. List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1l. 5s. per diem, and the remaining 75 1l. per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

RETIREMENT UNDER THE ORDER IN COUNCIL OF 25TH JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals: this reduction will be effected as follows, viz.—

- 1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.
- 2nd. By awarding ten Retired Service Pensions, of 150l. each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

- 1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.
- 2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the

Captains' List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Naval List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of all officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up. (Further promotion to this List is abolished by Order in Council of 1st August, 1860; but Commanders who have been promoted to the Reserved List of Captains under the Orders in Council of 25th June, 1851, and 30th January, 1854, will be entitled to increase of Pay, on the same scale as Commanders retired with the Rank of Captain under that Order in Council (see below), according to their length of service.)

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 1st AUGUST, 1860.

All Captains who have attained, or shall hereafter attain, the age of 60, and having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

If on 10s. 8d. Half-pay List when retired	18s. per diem.
If on 12s. 6d.	20s. „
If on 14s. 6d.	20s. „

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20s. per diem.

Captains now on the 14s. 6d. Half-pay List not to be affected by these arrangements unless by their own desire.

COMMANDERS.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1st. By selecting 50 Commanders to be Captains, as above specified.

2nd. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3rd. By placing on reserved half-pay all Commanders who have not served at sea, or in the Packet or Revenue Service, within 20 years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension.

4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains. (Further promotion to this List is abolished by Order in Council of 1st August, 1860.)

5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

FURTHER RETIREMENT OF COMMANDERS UNDER ORDER IN COUNCIL OF 1 AUGUST, 1860.

All Commanders on the Active List who have attained the age of 60, or who may hereafter attain that age, to be placed on a Retired List with the Rank and Title of Retired Captain, and to receive Half-pay according to their length of Sea-Service, on the Scale hereinafter mentioned.

Commanders, on the Active List, who have not been employed either afloat, in command of Revenue vessels, in the Coast-Guard, or as Mail or Transport Agents, within a period of 15 years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea-Service, also on the same scale as hereinafter mentioned; such Officers to be permitted to assume the Rank and Title of Retired Captain on reaching the age of 60, without further addition to their Retired Pay.
